

Dear Warden:

Below please find an Emergency Message for U.S. Citizens from the U.S. Embassy in La Paz, Bolivia. Please share this message with any U.S. citizens in Bolivia with whom you have contact.

**EMERGENCY MESSAGE FOR U.S. CITIZENS**  
**U.S. EMBASSY LA PAZ, BOLIVIA**  
**September 15, 2011**

This message informs American citizens traveling to and residing in Bolivia that various groups have announced that there will be a general strike in the La Paz metropolitan area on September 16, 2011. The strike may result in road blockades in the La Paz area. Transportation unions have announced their support for the strike; therefore, public transportation may be limited in the La Paz area. The blockades will also likely affect roads to the airport and the main roads leading out of La Paz. There is also the possibility that there will be marches and demonstrations in the metropolitan areas of La Paz.

U.S. citizens are reminded of the following emergency preparedness procedures:

- Maintain an adequate supply of food, water, medicines, and any other necessary items for your family on hand in your home.
- Fill your vehicle with gas and avoid letting it get below half a tank.
- Avoid areas where roadblocks and demonstrations are occurring and do not attempt to run blockades.
- U.S. citizens are advised to monitor the local media.

Due to this strike the U.S. Embassy will be open from 09:30 to 17:30. If, however, the situation deteriorates the Embassy may be forced to close for the entire day. The Embassy is open to the public by appointment only, however, due to the potential situation tomorrow all applicants with appointments who plan to come to the Embassy tomorrow should call 591-2-216-8000 or verify through the Embassy's website <http://bolivia.usembassy.gov> whether the Embassy will be open.

U.S. citizens are reminded that demonstrations and road blockades are not unusual in Bolivia, and even though they might be intended to be peaceful they can turn confrontational between security forces, demonstrators, and bystanders, and escalate into violence. U.S. citizens are urged to avoid the areas of demonstrations and to exercise caution if within the vicinity of any protests. If you find yourself in the vicinity of a large gathering, it is recommended you leave the area immediately for your own safety.
